

2-DAY EMERGING LEADERS PROGRAM

LEADERSHIP FUNDAMENTALS

Do you have talent within your organisation whom you have identified for stepping into leadership or expanded roles in the immediate to medium-term future?

We recognise that developing the confidence to step capably into leadership opportunities is key. Arm your employees with skills and tools that will build their confidence now in preparation for the future.

DAY 1: THURSDAY 5 DECEMBER – (9AM – 4PM)

LEARNING OUTCOMES

By the end of the workshop participants will be able to:

- Apply strategies to make the transition from “one of the team” to “leading the team”
- Use the ‘Challenging Conversations’ framework to confidently manage the performance of staff and provide effective feedback
- Apply tools and techniques to maximise the effectiveness of team meetings

DAY 2: THURSDAY 12 DECEMBER – (9AM – 2PM)

LEARNING OUTCOMES

By the end of the workshop participants will:

- Review their leadership action plans
- Reflect on the progress they have made in applying the tactics and techniques shared on Day 1
- Gain a fuller understanding of how to structure conversations effectively and respectfully in the workplace, including case studies and role play conversational techniques
- Utilise strategies to manage their time more effectively
- Recognise the value in setting a vision for their team and translate this into meaningful goals for their staff
- Consolidate action plans, including what guides they will draw on into the future to support their internal ongoing development
